

KARTBILD 1

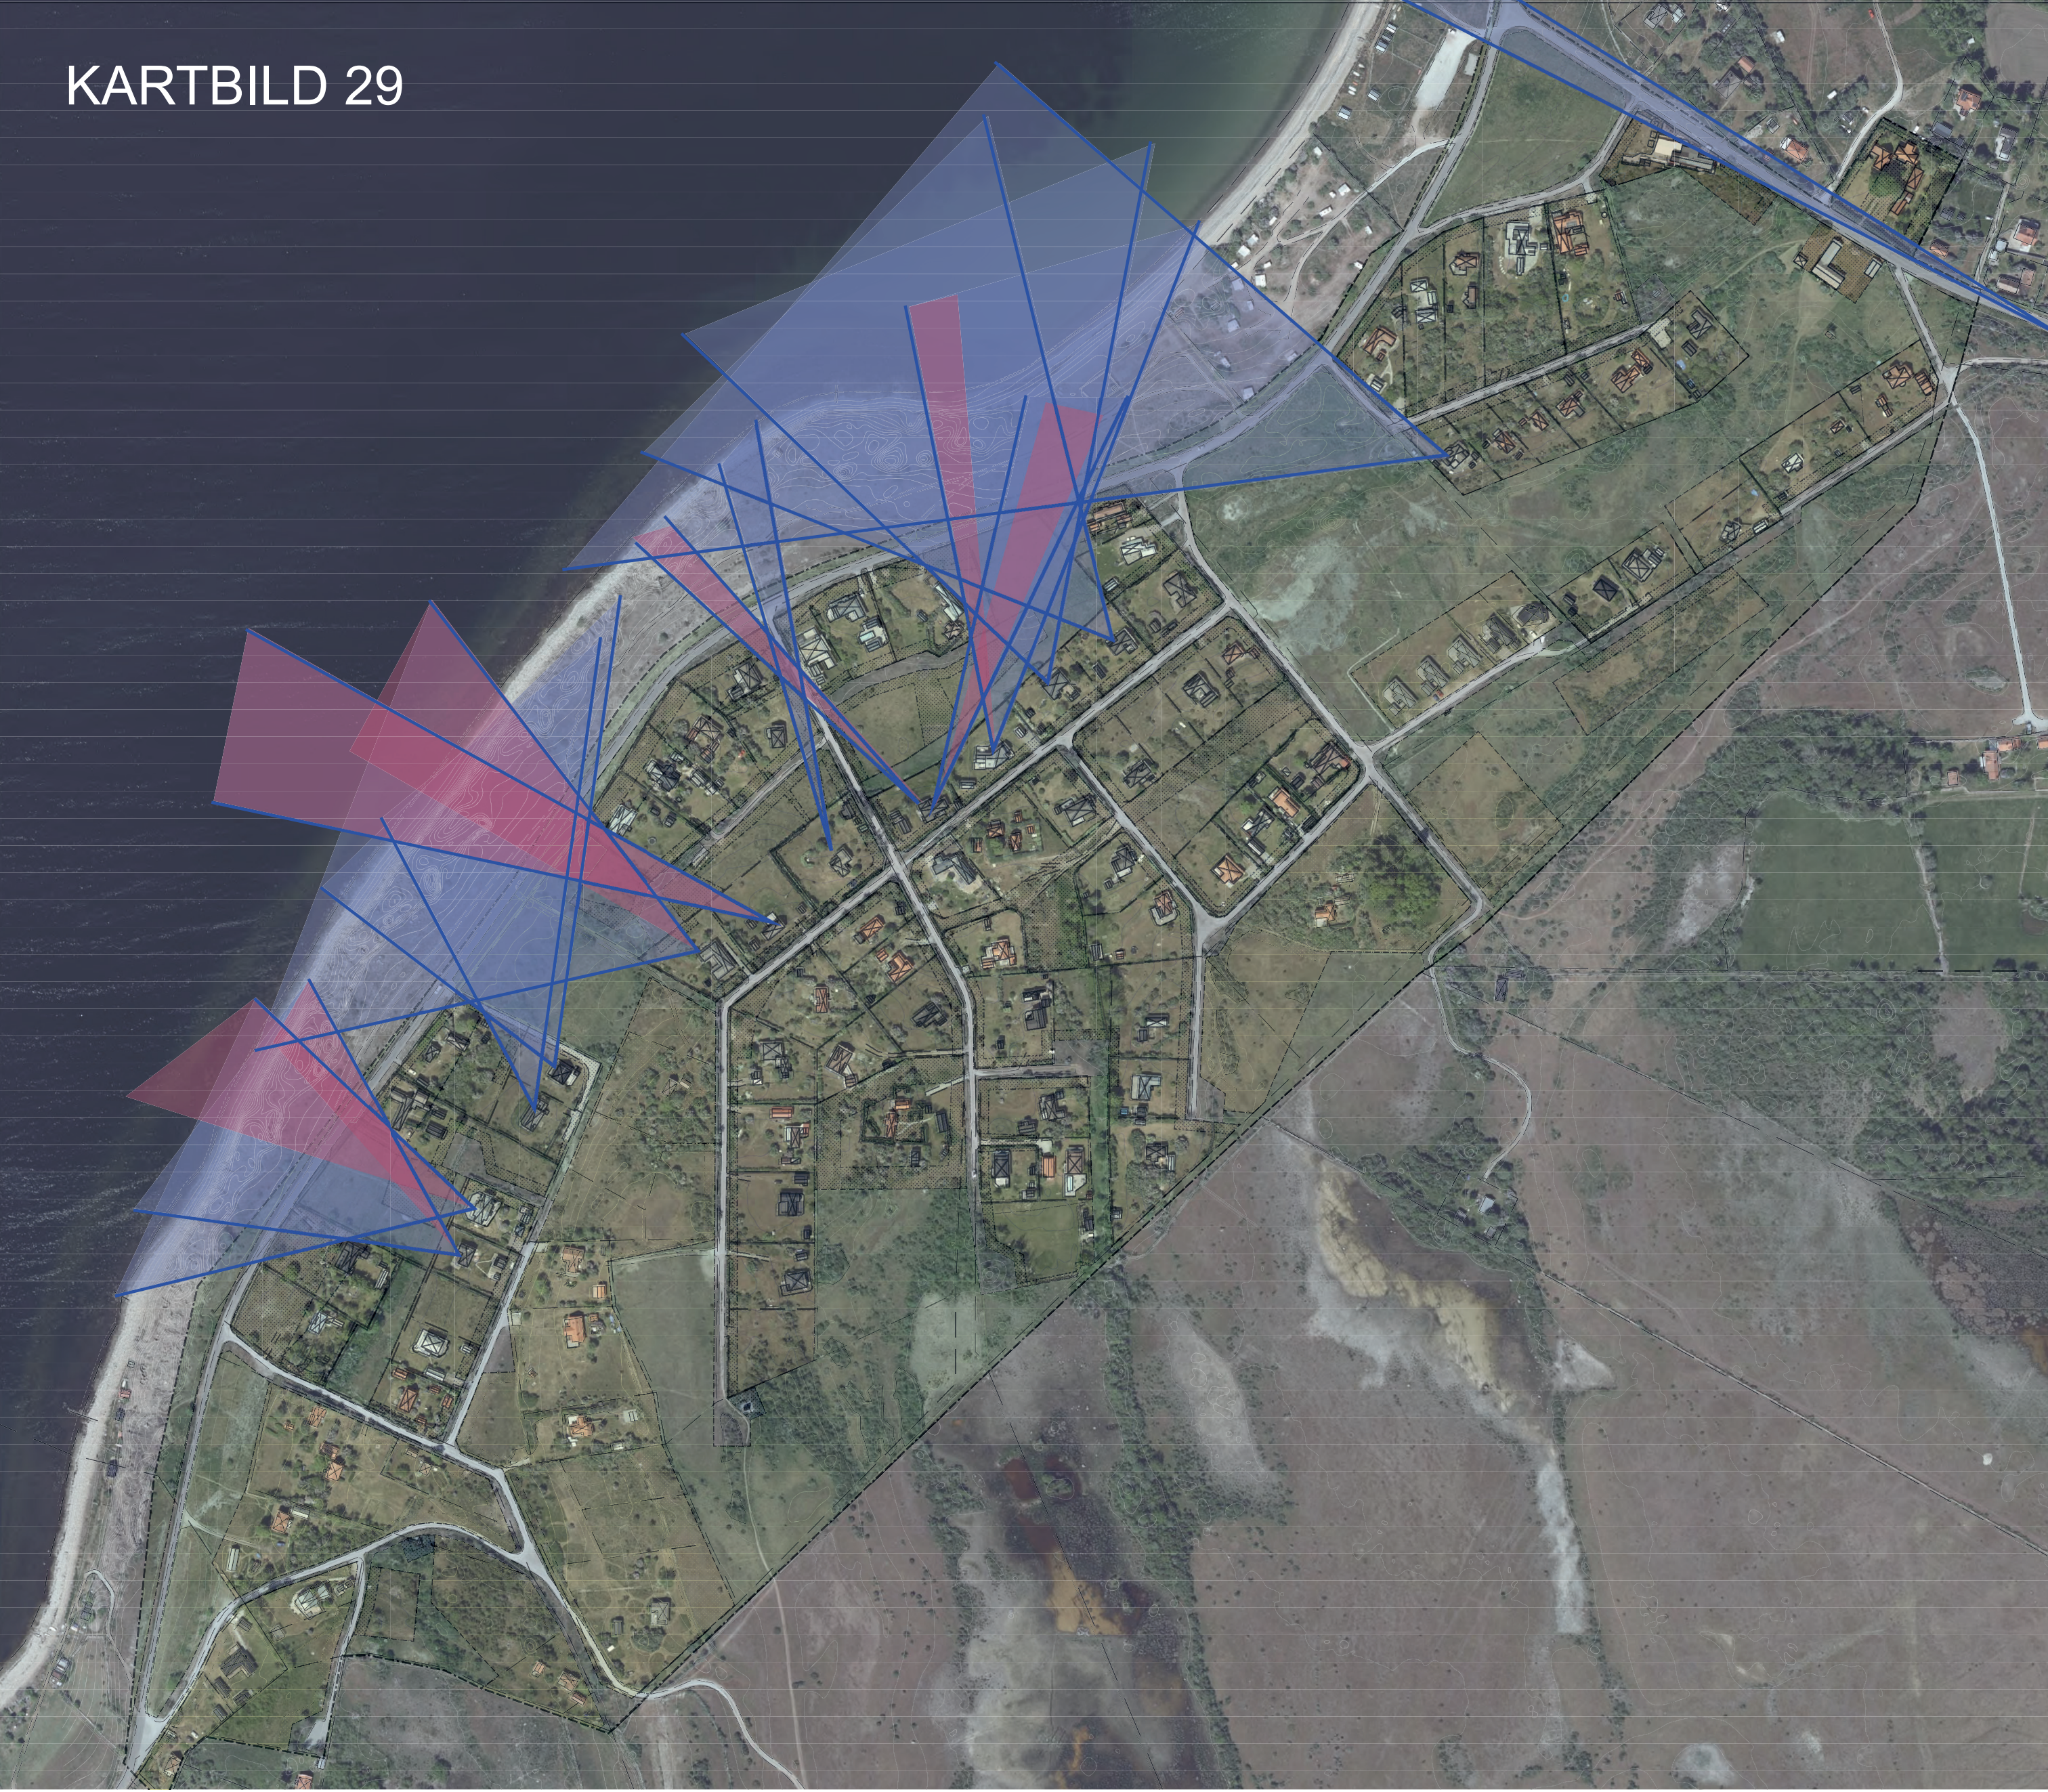

An aerial photograph of a coastal region, likely in Iceland, showing a mix of residential buildings, roads, and natural terrain. A large body of water is visible on the left side. Overlaid on the map are several irregularly shaped areas filled with yellow diagonal hatching. Numerous blue dots are scattered across the map, each accompanied by a text label in Icelandic. The labels include: Stortapetserarbi, Trubbstarr, Backtimjan, Svartfläckig blávinge, Tóvsippa, Blyvivel, Axveronika, Sjalrókrsvamp, Klintbandbi, and many instances of 'Angsnáttfjari'. The map appears to be a technical or planning document, possibly related to land use or environmental management.
